

## Outcome 6: Young people express their voice and demonstrate social commitment

### Indicator 9: Young people understand how their actions impact on others locally and/or globally

You can use an agree/disagree matrix to understand to what extent young people agree or disagree with statements you provide on the impact of their actions locally and/or globally. Here are some example statements but you should add your own.

	I really agree	I agree	I disagree	I really disagree	I don't know
The things I buy have an impact on people in other countries					
The only thing we can do about poverty in Scotland is give money to charity					
The only thing we can do about poverty in other countries is give money to charity
