

Practitioners

Salary: Up to £28,988

Moore House Care & Education is a dynamic organisation offering a range of services to support the individual needs of children and young people as they move through their life journey.

Our approach is firmly based on building positive, nurturing relationships using the principles of playfulness, acceptance, curiosity and empathy (PACE) and Dyadic Developmental Practice (DDP) and provides training and support for all our staff.

We are looking for practitioners from a range of backgrounds including residential care; health community learning and development; social work and other related professions .We are interested in people who can bring a range of skills, experience and qualities that will impact on improving outcomes for our young people and contribute to our teams being able to provide high quality services for our young people.

Our practitioner's enjoy working a variety of shifts that may include days, evenings, weekends and sleepovers.

Salary offered will be dependant on qualifications and experience and will include an estimated sleepover allowance of £5,000 per annum

Full job description, person specification and application form are available via our website: www.moorehouse.org.uk.

Closing date for applications: 17th May 2019

Interviews will be held in our offices in Livingston
