# THE VOICE OF YOUNG PEOPLE!

WE ARE LOOKING FOR YOUNG PEOPLE (14 - 26) WHO ARE INTERESTED IN THE FUTURE OF SCOTLAND AND WOULD LIKE TO TELL US WHAT THEY THINK ABOUT THE FUTURE OF THEIR COUNTRY.

#NationalPlan4Scot

## WHY IS THE SCOTTISH GOVERNMENT REACHING OUT?

The Scottish Government is preparing a new plan for building housing, roads and places of work and play which will go hand in hand with the Climate Change agenda and Scotland up to 2050. There are four key areas we need to discuss further: Climate Change, People, Work and Place.

## AS A YOUNG PERSON, WHAT IS IN IT FOR ME?

Most importantly and simply said - your future.

The Scottish Government needs to know the needs and concerns of your generation. You will be living in the houses, using the roads and enjoying the nature we plan today. In order to deliver what you need where you live, we are encouraging active discussion and empowering you - the young people - to help us.

## HOW WILL WE ENGAGE?

We will be running virtual workshops across Scotland. If you are interested in taking part, please complete this short survey.
